Message of Solidarity to the Workers' Assistance Centre

ILRF sends its deepest sympathies to WAC during this sad time. We are mourning the loss of the great labor leader Gerry Cristobal.

ILRF remains committed to holding the Philippine government, US government, and corporations such as Wal-Mart accountable for the lack of accountability and enforcement of laws in the Philippines. We will continue to fight for justice and support you in every way possible. We will commemorate Gerry's life by adding a page about him to our website. We will never forget the sacrifices made by Gerry. We stand in solidarity with the working class of Cavite and vow to seek justice for Gerry's death.

ILRF is in deep gratitude for the continued collaboration and partnership with WAC. We are continually amazed at your convictions, which in turn give us strength to continue forward.

Please know that you are in our thoughts and we wish that all of the earth's positive forces will keep you safe.

Sincerely,

Trina Tocco
